

Prospective Plan

1. Academic Excellence

Our college has always been known for Academic excellence which is evident in the large number of University merit list holders. We endeavor to strive continually towards excellence in academics to further creative, ethical and social development. We would like to ensure the continuance of the excellent standards of assessment and accountability that meet the needs of the stakeholders

2. Student Centered Approach

To enhance the existing student friendly system. Modernisation of teaching methods to synchronise with technology will ensure upgrading to new methods of teaching learning. The emphasis will be more on experiential learning and introduction of a large number of skill based and vocational courses.

3. Digitization of Administration

Major processes are already digitized. However, the plan is total digitization in the coming years.

4. Scholarships

The college assists students to avail of many scholarships. Efforts are underway to enable the students particularly from the economically underprivileged sections of society to get maximum benefit of government and private scholarships and funds.

The students securing 75% and above marks in Final SPPU examination will be eligible for scholarship. Ten girls will be awarded freeship for education for b.Com. and B. Sc. Classes based on merit.for professional courses this will amount to 50% of pertaining fees.

6. Establish and Promote a Vibrant Campus Atmosphere

To ensure that students have a positive academic and campus-life experience, the College embraces a holistic approach to providing co-curricular and extracurricular activities that support the academic mission.

7. Provide Up-To-Date Facilities and Infrastructure to Enhance Academic, Co-Curricular and Extra-Curricular Programs

To build, renovate and maintain classrooms and laboratories that allow for a variety of class sizes and teaching and learning styles. To promote, wherever possible, future growth of College infrastructure.
