15. Multidisciplinary / interdisciplinary	
<p>Introduction:</p> <p>1. Multidisciplinary/interdisciplinary study constitutes the spirit of NEP which supports the comprehensive and holistic approach toward knowledge and enables the students to learn the courses of their interest and their method of choice.</p> <p>2. NEP has not been introduced in Maharashtra for 2021-22. from 2021. The college has an affiliated institute; therefore, the college is unable to start new policies without the university's permission.</p> <p>3. The college prepares basic requirements for successfully introducing the NEP 2020.</p> <p>4. the college has identified a senior teacher as NEP Nodal Officer who links the students, institution, and the affiliating university on issues related to NEP.</p> <p>5. The teachers participate in workshops and training programs offered by the affiliated university and other higher education institutions from time to time.</p>	
16. Academic bank of credits (ABC):	
<p>1. The University Grants Commission launched the ABC system in 2020, giving students multiple entry and exit options.</p> <p>2. The students can access their academic documents and</p>	

certificates through the National Academic Depository, a digital platform.

3. The registration process starts in the college, and unique IDs have been allotted to the students so they can access their documents digitally for their future academic and career pursuits.

4. The college creates awareness among the students about the benefits of ABC.

17.Skill development:

1. NEP suggests several Skill Development Courses for skills enhancement, increasing the students' employability skills.

2. The college introduces various add-on- courses, and skill development courses like Tally, MS_Office,

3. These courses are practical examination-oriented, and external examiners assess students.

4. The students are encouraged to participate in the community outreach activities like NSS.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

1. The NEP didn't introduce in 2021-22. Hence the integration of the Indian Knowledge System did not exist in the college.

2. The college promotes the Indian Knowledge System through English, Hindi, Marathi, and German Languages.

3. The students belong social science background and study Indian Economy, History, Geography, Gandhian Ideologies, and Ambedkar Thoughts as part of the Indian National Movement.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

1. The NEP didn't introduce in 2021-22. Hence the focus on Outcome-based education, as suggested in the new NEP, did not exist in the college.

2. The college introduces examination patterns approved by the affiliating university, focusing on Outcome-based education.

3. The students are informed about their examinations at the

beginning of the academic year.

3. The teachers introduce ICT-enabled tools in their teaching pedagogy.

20.Distance education/online education:

1. The college is known as an affiliated institute and doesn't permit starting distance education without prior permission of the affiliating university.

2. The college runs a distance education system approved by the university.

CURRICULAR ASPECTS	
1.1 - Curricular Planning and Implementation	
1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process	
<p>The college is affiliated with Savitribai Phule Pune University,Pune, and the University has prescribed the curricula of all the programs taught in the college. The college plays an essential rolein effective curriculum delivery through a well-planned and documented process. The prescribed curriculum is</p>	

taught efficiently and continuously, finishes the curriculum on time, applies effective pedagogy, appoints the required number of teaching and non-teaching staff, and provides equipment, apparatus, instruments, computers, books, journals, chemicals, etc. ICT-enabled tools.

Under the guidance of the IQAC, arranged webinars on several subjects and organized training sessions for the teachers for the inculcation of ICT techniques in the teaching pedagogy to the benefit of the students and for strengthening the teaching-learning process of the college.

The Effect of Corona Virus has affected the students life and the lecture of the faculties. Students were used to online lectures and sitting in home so converting from online lectures to offline lectures is the tricky task. Faculties are trying their best to have students in classrooms with different innovative ideas and practical based learning.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The University has introduced the choice-based credit system and semester pattern from 2019-20. Due to this, the under-graduate and post-graduate CIE patterns were revised as described above. The Continuous Internal Evaluation (CIE) is done based on assignments, written test, mid-term-test, term paper, practical journal, seminar presentation, open-book test, project work, field visit, for a specific course in each semester, and internal assessment marks are awarded based on the performance of the student. The marks obtained by the students in the CIE process comprise 20% weightage for their University weightage. However, for the course on a major project, the internal marks weightage is 40%. The teachers convey the internal marks evaluation scheme to the students at the beginning of each semester. At the beginning of the new session, the course syllabus and its C.O.s, POs, SPOs, and question paper patterns are discussed with the subject teachers. Continuous internal evaluation was done as per the guidelines laid down by the UGC and the

University and CIE results were sent to the University.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

In this era of technological advancements and ICT use in most sectors, e-learning is one of the innovative ways in the teaching-learning process. The college is committed to innovations in knowledge delivery through optimal use of available information communication technology. The teachers use various innovative methods to appeal to the students more than the conventional chalk and board classroom. The pedagogy used by the teachers is aimed at developing creative ways to evince interest in the students in the teaching-learning process in the following ways. The college follows ICT-enabled teaching in addition to traditional classroom teaching. In addition to the chalk and talk teaching method, the teachers use IT-enabled learning tools such as PPT, Videos, online sources to expose the students to advanced knowledge and practical learning. The classrooms are fully furnished with LCD, Computer, internet connectivity, Laptops, Scanner, mike, and soundbox. The impact of Covid-19 has affected to faculties and students with the introduction of new methods, softwares, LMs and ERP system. The teaching learning has made it

centralised that faculties can share their ppts and materials to students and can teach other college students with the online platform.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Internal assessment for all courses and subjects is done strictly as per university guidelines. The college conducts internal examinations during the semester, and the class teacher constantly monitors the results to ensure the consistent performance of the students. The dates of the tests are announced at the beginning of the semester. The test pattern is as per the University CBCS pattern. Invigilators monitor the tests to avoid malpractices. The college ensures transparency through students being asked to write the tests in answer sheets provided by the college. Answer sheets are evaluated and returned to the students. The student's progress is discussed after the examination in a parent-teacher meeting. The class teacher decides the allotment of marks, overseen by the HODs and the principal. Final CIE marks are

displayed on the notice board before uploading them to the University portal. Students can contact respective subject teachers in case of any discrepancy in the marks, which shall be redressed immediately if found to be wrongly valued or entered

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

The college has an effective system to redress the grievances of the students for the internal assessment marks. The Mechanism is transparent, time-bound, and efficient. The students are given the valued answer booklets, and the grievances about fewer marks are rectified immediately by the subject teacher. The final internal marks are displayed on the notice board before uploading them in the university portal to facilitate the students to know how much they would get as the internal marks when the final results are released. The students are free to approach the concerned teachers once the internal assessment marks are released if they are not satisfied and feel they deserve more for their performance. If the student is not satisfied by the teacher's explanation, they can approach the HOD. If their grievance persists, they can come to the grievance redressal cell of the college, where the Principal and committee members address his grievance. In the case of the end of the semester external exam, students are given sufficient scope for the redressal of their grievances to evaluate different papers in the University's manner and system.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The college has established each program's P.O.s, PSOs, and C.O.s, clearly stating the objectives and outcomes. Teaching is

planned in such a way as to bring out the desired results as stated in the syllabus. All expected course outcomes are prepared and distributed to the students at the beginning of the academic year. Students are motivated towards course outcomes throughout the program by the course teacher. Evaluation Process and Reforms Key Indicator looks at issues related to assessment of teaching, learning, and evaluative processes and reforms, to increase the efficiency and effectiveness of the system. One of the purposes of evaluation is to provide development-inducing feedback. The qualitative dimension of the assessment is used to enhance students' competence. The innovative evaluation process is to gauge the knowledge and skills acquired at various levels of the programs. These specifications are stated as P.O.s, PSOs, and C.O.s.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The college strives to accomplish program-specific and course outcomes through its academic co-curricular and extracurricular activities specially designed to achieve them. The evaluation results and student feedback ensures that the course objectives are realized. Preparation of teaching plan and maintenance of the work diary also helps the teacher and the student focus on the predefined activities to achieve the outcome. Students' progress and learning outcomes are monitored through continuous evaluations, tutorials and laboratory exercises, and live projects/assignments. The college conducts tests in all courses and reviews students' performance in the meeting at the departmental level and the discussion of the resulting committee under the chairmanship of the CEO. At the end of each semester, student feedback is taken; course wise performance of students is discussed, analyzed, and recorded in terms of grades. Weak students are encouraged for special meetings and interaction with the faculty to identify their problems and solve them. Regular seminars, debates, case studies, quizzes on the relevant subjects are conducted in the classroom to make learning an integrated and exciting process. Extension activities such as awareness rallies,

cleanliness campaigns, eco clubs

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Response: The college follows the performance-based assessment system (PBAS) of UGC as prescribed in its regulation of 2009 and consequent API of Savitribai Phule Pune University. The college collects confidential reports of the teaching and non-teaching staff every year. Appraisal system/policy for teaching staff: Faculty members are given a self-appraisal form annually which elicits the following information: Workload, lesson plans, resulting from analysis of subjects taught, papers published in national, international journals, research done, Workshops, conferences, seminars attended and conducted, C.T. use in teaching-learning, Industrial visits, Reference done for teaching, enhancement of qualifications, examination work done, administrative job done, punctuality and regularity, participation in extension activities, teamwork and interpersonal relations with other faculty and staff. For non-teaching staff: The appraisal is done on the quality and quantity of work, nature of work, sincerity, devotion, skill sets, efficiency, and contribution to the overall improvement of the college. They are also appraised for any outstanding contribution and their team working abilities. Informal appraisal of the non-teaching is done regularly by the principal and department heads by observation and interactions

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

Response: The IQAC was established on 02/05/2018 for guiding the faculty members. Some of the areas where the IQAC has suggested reforms are: To improve teaching quality and teachers' profile. To enhance continuous internal evaluation system. To increase the employability skills of the students by introducing new job-oriented courses.

To assess course outcomes and program outcomes periodically. But due to the Covid-19 pandemic situation, educational institutions have been closed for quite a long time due to the lockdown declared by the Government. The teaching in the classes was not done because the students and the faculty members were not permitted to come to the college. The Government has allowed

conducting online lectures instead of coming to college to carry the teaching work from home. It has increased the responsibility of the IQAC a lot. Preparation of teaching schedules, making available ICT-enabled equipment, making aware to the faculty members about online teaching, arranging online training workshops to the faculty members who don't know the online teaching pedagogy, making aware of the students for their participation in online education, solving their queries, motivating them for their regular attendance, and daily report to the principal regarding the process and progress of the online teaching.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Response: A trust runs the college, and its President is a Lady. The college culture must be developed to be sensitive towards women issues, treat them as equals, give them all equal opportunities, and empower them. It has resulted in girl students outnumbering male students every academic year. The college campus is made safe and secure for female students, faculty members, and all women employees. The college has security guards a CCTV surveillance system and arranges lectures and programs on gender sensitization, woman empowerment, and related topics. The committees exist like Antiragging and prevention of sexual harassment cell, which safeguards the safety and security of girl students and women employees.

Counseling: The girl students are counseled regularly by lady faculty members and encouraged to share their problems with the principal. **Common Room for Girl students:** the separate common room is provided for girls, with the required furniture viz. chairs, tables, bed, papers magazines, and indoor games. **The Mentor-Mentee system** operates and provides support and guidance to the girl students. **Provide a Web link to:** Annual gender sensitization action plan.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations:

values, rights, duties and responsibilities of citizens

Constitution serves as a set of principles, rules, and procedures that apply equally to all citizens. It also has the spirit and core values enshrined in the various articles like truth, non-violence, peace, cooperation, respect, honesty, and kindness. They are sovereignty, the republican character of an Indian state, justice, liberty, equality, fraternity, human dignity, unity, and nation's integrity. Our constitution ensures all rights and dignity; it also prescribes specific values like patriotism, nationalism, environmentalism, harmonious living, gender equality, etc. The college ensures the singing of the national anthem daily in the morning and all official programs as per the protocol. The college has an SC/ST Cell to ensure social justice and the policy of inclusiveness which are also the core values enshrined in our constitution; The Cell conducts the counseling to encourage the students to follow the ideal and path of Dr. B.R. Ambedkar to achieve knowledge and self-respect. The college celebrates national festivals like an independence day on the 15th of August every year, and the day marks the importance of freedom on this day. A flag hoisting ceremony is organized, followed by a recitation of the National Anthem. The college principal, faculties, and students deliver a speech on the importance of the Indian freedom struggle. The college conducts different cultural programs and events to highlight the constitutional spirit of liberty, equality, justice, and fraternity, and NSS volunteers perform programs based on Unity in Diversity.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

The mission of the college is to provide greater opportunities and access to higher education with equity to all the eligible students / persons and in particular to underprivileged sections there by contributing to the development of the society and nation. Our first best practice, Mobile Teaching Program is imparting education to underprivileged sections, nearby villages Panshet, Rule, Malkhed and Khanapur. The second best practice is,

Financial Aid to the Deserving Students by The College imparting financial help to poor students of our college. Thus our college tries to extend help to underprivileged students by supporting through teaching and financial help. 1. Mobile Teaching Program: A socio-economic survey was conducted in three villages namely Panshet, Rule, Malkhed and Khanapur from where students have been taking admission in this college. The objective of the survey was two-fold - to study the socio-economic profile of the people/families staying in these villages to study the need for training/ orientation to people staying in these villages. 2. Financial Aid To The Deserving Students By The College: To extend financial aid to the deserving students especially from the rural area, To save them from discontinuation of their studies owing to poverty and To support financially all the deserving poor students without any discrimination of caste, creed or gender this program. To promote the 'equality' among the students. To inculcate the values of 'generosity' and a 'sense of social responsibility' among the students.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The Asian college was established in 2007. It is a leading brand of excellence in education and is recognized as one of the best colleges in India. The college is situated in the semi-urban area of Pune city. One is to increase knowledge, understand the factors that influence the organization, and provide many systems, facilities, sharing, tools, and techniques that urban and rural students can use to control the organization. It is an existing field where we can have a proper impact on the operations, works, business structures, etc. The academy is committed to empowering urban and rural students through capacity building and imbibing career-oriented skills. The college provides a brand new world-

class infrastructure and a holistic environment for excellent learning and development. Asia has created a unique learning structure that has come to be the hallmark of the institute. Asian college prides to mention itself as a student's oriented institute. We get a good number of students for admission every year. Along with academics, students get exposure through National Social Service, Sports, and Cultural Activities and competitions. The on-campus recruitment at Asian College provides a convenient way for corporates to interview our students for permanent employment. We also have different tie-ups and MOUs, which will nurture students in the academics in other domains. We conduct a pre-placement activity program for the final year students, which helps students get placed in Multinational Companies.
