Nirmalya Dan

Date: 7th September 2019

On September 7th, 2019, the Asian College of Science and Commerce launched a program called 'Nirmalya Dan' in collaboration with the Department of National Service Scheme (NSS). The program was created to address the issue of water pollution during Ganeshotsav and to prevent unsanitary conditions and water contamination in reservoirs caused by the disposal of Nirmalya.

To achieve this objective, the program encourages people to use eco-friendly idols made from clay, dispose of waste in designated bins, avoid using plastic, and take additional measures to prevent environmental harm. The program is actively supported by students and volunteers who contribute their time and effort to make the initiative successful.

Under the guidance of Program Officer Asst. Prof. Kengar R.S., the program has been executed successfully with the support of President Hon. Anita Sapte, Vice President Hon. Anand Sapte, Secretary Hon. Anil Sapte, and the principal of the college, Dr. Jayashree Lipadhyay. The program has been implemented in various parts of the region, and its success has been significant in reducing water pollution during Ganeshotsav.

The 'Nirmalya Dan' program is a testament to the collaborative efforts of all those involved in promoting environmental sustainability in the region. It has not only raised awareness about the issue of water pollution but has also encouraged people to take responsibility for their actions and make conscious decisions that are beneficial to the environment. Through this program, the college has taken a step towards creating a cleaner and healthier environment for everyone.

National Service Scheme (NSS) Day

Date: 24th September 2021

The National Service Scheme (NSS) Day was celebrated with great enthusiasm and fervour at our institution on the 24th of September 2021. The day is celebrated to mark the foundation day of the NSS, an organization established in 1969 to promote community service and social development. Aligning with the core values of the NSS, this year's celebration highlighted the ongoing "Swachh Bharat Abhiyan" or "Clean India Campaign."

The day's celebrations commenced with an inaugural ceremony, which included a lamp-lighting ceremony by the chief guest, followed by speeches from our institution's authorities and NSS coordinators. The speeches emphasized the significance of community service and cleanliness in our society.

A major highlight of the day was a cleanliness drive conducted in the nearby locality. NSS volunteers, along with community members, enthusiastically participated in cleaning streets, parks, and public spaces. The objective was to contribute actively to the Swachh Bharat Abhiyan by promoting cleanliness and hygiene.

The NSS Day celebration was a great success, and it showcased the importance of community service and social development. It was a reminder to all of us that we need to work together to create a better and cleaner society.

Disaster Management Training program

Date: 11th December 2021

An awareness Programme on "Disaster Management" was organized on 11th December 2021 in College Premises. The NSS units of Asian College of Science and Commerce Dhayari, Pune-41 conducted the program.

On this occasion the Chief Guest of the programme, Sri. Kumar Raka said that Disaster Management is the organization and management of resources and responsibilities for dealing with all humanitarian aspects of emergencies, in particular, preparedness, response, and recovery to lessen the impact of disasters. The first group of people to respond to a disaster are those living in the local community. They are the first to start rescue and relief operations. The Red Cross and Red Crescent National Societies therefore focus on community-based disaster preparedness, which assists communities to reduce their vulnerability to disasters and strengthen their capacities to resist them.

Principal Dr. Shivajirao Kakade said that the role that the community plays in the continuum of disaster preparedness, response, and recovery fits into conceptual frameworks concerning disaster decision-making.

The program was organized by the NSS Programme Officer Asst. Prof. Kengur R.S.

Har Ghar Tiranga

Date: 11th August 2022

On the 75th anniversary of Independence Day like all over India AAER's Asian College of Science and Commerce Dhayari Pune-41 organized and executed the Har Ghar Tiranga venture initiated by the government of India. 'Har Ghar Tiranga' is a campaign under the aegis of Azadi Ka Amrit Mahotsav to distribute Tiranga to students and to hoist it to mark the 75th year of India's independence.

A Rally on Har Ghar Tiranga was held by the 'NSS Department and Student Development Council' of the college to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. Before the commencement of the rally, a group of college students gathered and chanted a series of soulful and patriotic songs that filled the air with a sense of national pride. The melodies were sung in perfect harmony, and the students put their heart and soul into the performance, making it a memorable experience for everyone present. The songs were a fitting tribute to the occasion and served as a reminder of the importance of unity and patriotism in our society.

500 plus flags distributed in this camping by Asian College. There were 250 students from various departments engaged in the campaign along with the Honorable President Anita Sapate Madam, Vice-President Anand Sapate Sir, and Secretary Anil Sapate Sir. Also Principal Dr Savita Singh Madam and Vice-Principal Shruti Rege Madam were present along with the other Teaching and Non-Teaching Staff of the Asian College.

Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building said President Anita Sapate Madam.

Our relationship with the flag has always been more formal and institutional than personal. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag said Principal Dr. Savita Singh madam.

NSS department head Asst. Prof. Kengar R.S. Student Development Officer Asst. Prof. Kadam D. B and BBA department head Asst. Prof. Kale S.G. acted as the coordinator for the program and made it a success.

Road Safety Mission

Date: 4th of October 2022

On the 4th of October 2022, the Asian College of Science and Commerce Dhayari in Pune organized a 'Road Safety Mission' program in partnership with the National Service Scheme (NSS) department and the Lions Club Pune. The event was attended by Honorable Anita Sapte, President, Anil Sapte, Secretary, and Anand Sapte, Vice President of the organization, who were present to show their support for the cause.

The primary objective of the program was to promote road safety and prevent accidents. The event saw the participation of around 75 volunteers, who were dedicated to working towards creating awareness about road safety rules and accident prevention. The volunteers performed a street play that emphasized the importance of following traffic rules and regulations, and the need for safe driving practices.

The event was a significant success and helped promote road safety awareness among people. The volunteers actively promoted road safety by distributing pamphlets and leaflets to pedestrians and motorists, emphasizing the importance of road safety measures. The organizers also highlighted the importance of educating school children and college-going students about road safety measures.

In conclusion, it is essential to note that the government should encourage professionals associated with road design, construction, network management, traffic management, and law enforcement to have adequate knowledge about road safety issues. This will go a long way in creating a safer and more responsible driving culture and preventing accidents on the roads.
