Title: Financial Assistance for Deserving and Needy Students

Objectives:

- To provide financial aid to financially weak students so they can continue their studies without interruption.
- To support deserving students from all backgrounds, irrespective of their caste, creed or gender, in pursuing their educational goals.
- To encourage and motivate students by awarding scholarships and cash prizes, creating a spirit of achievement and excellence among them.
- To ensure that financial assistance is accessible to all who demonstrate need and merit, promoting student equality.
- To instill values of generosity and social responsibility among students by fostering a culture of support and assistance for those in need within the college community.

The Context:

Due to rising education costs and socioeconomic disparities, financial assistance for deserving and needy students is critical, especially within higher education institutions offering self-financed programs. Financially disadvantaged students often face challenges in accessing educational opportunities, which can lead to abandoning their academic pursuits in professional programs. Providing financial aid to deserving and needy students contributes to broader social objectives of inclusivity and equal opportunity. It is a lifeline for students striving to overcome economic barriers and pursue higher educational aspirations.

The Practice:

The college has formed a committee that helps students who face financial barriers to higher education. The committee evaluates applications and conducts needs assessments to provide tailored financial aid and resources such as counselling, mentorship, and academic tutoring. They also help students access external funding sources, establish clear guidelines and implement regular monitoring and evaluation processes to ensure transparency, fairness, and accountability.

Evidence of Success:

Financial Assistance for Needy Students has positively impacted students' academic achievement, personal development, and overall well-being. It has increased retention and graduation rates, fostered inclusivity and diversity within the institution, and enabled students to excel academically. Additionally, the practice has improved mental health and well-being among students by alleviating financial stressors.

Problems Encountered and Resources Required:

Financial Assistance for Deserving and needy students faces several challenges, including limited funding, difficulty identifying needy students, complex application processes, inflationary pressures, and lack of institutional support. To mitigate these challenges, adequate resources, simplified application processes, regular review of scholarship amounts and eligibility criteria, and institutional support are necessary.

The details of the students who availed the Financial Assistance during the last five years.

Recommendation Letter

To,

The Principal

Asian College of Science and Commerce,

Dhayri, Pune 41.

Subject:- To Recommend She / He for Scholarship.

Date:- 04-06-2022.

Respected,

I got to know Miss. Vishakha Dhamale is a student of FY BBA(CA) in 2021-22 Academic Year. I know her from last 10 months. She has great potential not only in her academic achievement but also in her personal growth,

As our organization usually selects scholars based on their potential in academic & leadership. Miss. Vishakha Dhamale fits our guidelines as she has achieved in her academic percentage for 12th Standard 88.66%, and her family background is also economically weak, her father is a servant and her mother is a homemaker and has one small brother studying in 12th Commerce. Among them, the father's salary is only the income source.

I therefore wholeheartedly support Miss. Vishakha Dhamale for her opportunity, not only for her leadership capabilities but for her vision in making a positive impact in the community as well. This is why I am recommending her for a scholarship.

Your Faithfully

माननीय,
रशियन कॉलेज ऑफ सायन्स अँड कॉमर्स

मी अनिशा सतार मुलगा, क्लास D.Y.BSc
मध्ये शिकत आहे. माझी वार्षिक फी 24,000 आहे.
त्यातही मी अर्धी फी भरली असून अर्धी बाकी
आहे. मला F.Y.BSc चा 5000 रु कॉलेज कडून
स्कॉलरशिप देण्यात आली होती. मावणी ही मला
स्कॉलरशिप दिली जाईल असे सांगितले होते. परंतु मला
स्कॉलरशिप दिली नाही. मी खूप बोरजु असून माझे
Father आम्हाला बघत नाही, फक्त Mother चं आम्हाला
सांभाळ करते. आई

तरीही आम्हाला स्कॉलरशिप द्यावी ही
नम्र विनंती. आमच्या फॅमिली मध्ये खूप problems
आहेत. खूप खूप खूप अशी नम्र विनंती आहे माझी
स्कॉलरशिप मला द्यावी.

आपली विश्वासू
Anisha
